## **ADDUCE BIO**

Lars Graugaard (Denmark) and Juan Cristóbal Saavedra (Chile/Spain) met in Barcelona in 2008, and they soon began performing together after a couple of informal jam sessions.

The initial results were so satisfactory that they decided to continue giving concerts, and also produce their first album under the name 'ADDUCE'.

Work on the album - entitled 'Add' - started in september 2009 and will be released by the Netlabel Pueblo Nuevo.
